

Safety Bulletin

Prevent Serious Injury or Death

SEAMERS (All Models)

FOLLOW GENERAL SAFETY INSTRUCTIONS

ALL INDIVIDUALS IN CONTACT WITH ANY SEAMER APPLICATION SHOULD READ AND UNDERSTAND THE INSTRUCTION MANUAL.

ENSURE PROPER PLACEMENT OF WARNING LABELS

Verify that warning labels are attached to the upper beam cautioning, "KEEP HANDS CLEAR". Also verify that a warning label is attached to those units with end latches, cautioning, "DO NOT UNLATCH WHILE HOLD DOWN FINGERS ARE CLAMPED".
